10. [REDACTED] LIAISON Called Tom Crowley,  
Senate Select Committee on Intelligence staff, and discussed  
the EEO case of former Agency employee [REDACTED] whom  
Senator Daniel Inouye (D., Hawaii) is assisting. Crowley  
indicated he is expecting to hear from us on whether it is  
feasible to call a Federal Examiner into this case. I told  
Crowley I would get back to him on this question.
